

Type of Bug	Priority	Bug/Feature
Programming	Bug	Throwing Interval needs smoothing out
Programming	Bug	Rotate Sound needs to be played at the correct time
Programming	Bug	Ball position/Ball height
Programming	Bug	Max pitch speed slightly too high?
Programming	Bug	Must be able to foul out
Programming	Bug	Able to pitch too soon
Programming	Bug	Reset the runners at end of game
Programming	Bug	Make hitting interval strait up and down? (Suggestion: Yes)
Programming	Bug	Lack of noticable control at all times
Programming	Bug	Recalibrate Foul lines
Sound/prog	Bug	Stepping sound needs smoothing out
Sound/prog	Bug	Soaring Sound doesn't match ball
Art	Bug	Blue and Purple colors too close (suggestion: aquamarine)
Art	Bug	Flaming Fastball; Sparkling on the ball going out of the park
Programming	Quick Feat	Full Field distance with offset spin looping fielder postions / Suggestion: Close loop fielders, will bemore intuitive
Programming	Quick Feat	Hotkey to reset the game
Programming	Quick Feat	Dynamic/Adaptive constants for hitting/pitching (batters get tired, etc)
Programming	Quick Feat	Adjust what happens on negative spin Hit Hitting drum on fields expands catching radius & stops fielder for a moment
Programming	Quick Feat	Spinning icons with spin of drum
Programming	Quick Feat	Use first spin direction as Forward
Programming	Quick Feat	Spinning arrows around the batter/pitcher models?
Sound/prog	Quick Feat	make sounds louder
Art/Prog	Quick Feat	Unified Score board/score board with full text(Out instead of O)
Programming	Feature	Shadow on ball
Programming	Feature	Pitching interface
Programming	Feature	Curve ball
Programming	Feature	More fielders
Programming	Feature	Move the batter back and forth Tap drums for a default type action on all interfaces; and wheels to curve
Programming	Feature	curve
Programming	Feature	Add a demo mode instead of spinning ball?
Programming	Feature	Add a new player mode?
Programming	Feature	AI
Sound/prog	Feature	Announcers
Sound/prog	Feature	More croud sounds
Sound/prog	Feature	Add more ambient sounds to the game
Hardware	Feature	Add velcro to the sign on halo
Hardware	Feature	Find better paint
Hardware	Feature	Ipod like spinners? People seemed to want to just rub spinners
Hardware	Feature	Add glass pane in halo to prevent throwing stuff up into the halo
Modeling	Feature	Umpire animations/catcher
Modeling	Feature	New player models/animations
Art	Feature	What to do right now Graphics / Resizeable pad graphics
Art	Feature	Redesign stadium
